

## **Cup Report 2007/08**

North Wales Men's Hockey organised a Finals' Weekend for the semi finals and finals of all competitions for the first time this year. NEWI hosted the event and there was an entertaining two days of hockey with two of the finals going to the drama and heartache of penalty flicks. Congratulations go to the winners of the competitions who were:

### **North Wales Premier Cup**

Wrexham 1s

### **North Wales Shield**

Northop Hall 2s

### **North Wales League Cup**

Bangor University 2s

The only downside was the withdrawal at the last minute of Colwyn Bay 1s, who conceded their Premier Cup quarter final to Bangor University. The region would like to thank NEWI, its major sponsors for hosting the finals and it is to be hoped that this productive relationship will continue in the future.
