

Priorities 2008/09

The following are the Committee's priorities for the 2008/09 season:

- Run the U11 and U13 leagues on the same basis as 2007/08 (alternate months). A list of dates and clubs hosting each one will be circulated before the end of June. For information, however, it is likely to be on the same rota as 2007/08.
- Make the U11 a formal, competitive league with a trophy. This may also include extending invites to English teams such as Deeside Ramblers, Chester and other border clubs.
- Set up two U15 club tournaments on free weekends in the North Wales League fixture list.
- Resurrect age group hockey at all levels. This would include staging the North v South fixture, holding trials and training times.
- Continue to develop the strength of the North Wales League. The focus would be on fulfilling fixtures to enable people to have games. Flexibility and common sense would be key in ensuring the development of the league. It was also important to publicise the League more widely and strengthen the administrative structures.

Key Dates 2008/09

The following dates should be noted:

- Sunday, 21 September 2008 – Age Group Trials (NEWI, 11.00 am to 3.00 pm) for all age groups. U14 trials to take place on the sand ATP.
- Sunday, 16th November 2008 – North v South fixture. (All age groups) 11.00 am to 5.00 pm.

Other dates are still in the planning stage. These will be disseminated via email and the website.
